## J. C. Plays Win Two First Places

### DRAMAS TO COMPETE IN SO. CAL. FINALS

High Praise Received From  
Judges and Audience

### PLAYS SCORE OVER NINETY

"The Turtle Dove" Takes Second  
in Comedy Group

By winning first places in both serious and comedy classes, the two junior college plays, "The Valiant" and "Suppressed Desires", earned the right to represent Orange county in the Southern California Elstedd finals to be held in Los Angeles. Both plays were judged with scores of over 90 per cent in contest held in Anaheim, April 25.

Because of the absence of a junior college classification, it was necessary for the plays to enter the community drama class. Nevertheless the local casts rated both ten points higher than their closest contender.

"The Valiant" was the lone entrant in the serious play group. However, it received praise from the judges and audience. According to E. C. Phillips, director of the plays, it is a promising contender for a place in the finals.

"Suppressed Desires" won first place against a group of comedies, including two from Santa Ana. Mrs. (Continued on page 3)

### MARY BRUNER LEADS Y.W.C.A. NEXT YEAR

The girls expressed exceptional pleasure over the menu because it was climaxed with strawberry short cake and ice cream. The delicacies which preceded the strawberry short cake included macaroni and cheese, scalloped potatoes, corn and salads.

## Editorial Comment

## Why Not?

Is college social life to become a business proposition? We read in the Los Angeles Times that students at Northwestern University agreed to try the experiment of girls paying their own way at all parties.

The men students favor the plan because many of them have small allowances or are working their way through school. So dated women are to pay fifty-fifty.

If there is any truth in the old saying, "Half the joy of the gift is the giving", the outcome of this university's experiment will be interesting.

## The Unknown Teacher

And what of teaching? Ah, there you have the worst paid and the best rewarded, of all the vocations. Dare not enter it unless you love it. For the majority of men and women it has no promise of wealth or fame, but they, to whom it is dear for its own sake, are among the nobility of mankind.

Great generals win campaigns, but it is the unknown soldier who wins the war.

Famous educators plan new systems of pedagogy, but it is the unknown teacher who delivers and guides the young. He lives in obscurity and contends with hardship. For him no trumpets blare, no chariots wait, no golden decorations are decreed. He keeps the watch along the borders of darkness and makes the attack on the trenches of ignorance and folly. Patient in his daily duty, he strives to conquer the evil powers which are the enemies of youth. He awakens sleeping spirits. He quickens the indolent, encourages the eager, and steadies the unstable. He communicates his own joy in learning and shares with boys and girls the best treasures of his mind. He lights many candles, which, in later years, will shine back to cheer him. This is his reward.

Knowledge may be gained from books; but the love of knowledge is transmitted only by personal contact. No one has deserved better of the republic than the unknown teacher. No one is more worthy to be enrolled in a democratic aristocracy, "King of himself and servant of mankind."

—Henry Van Dyke

## Meow!

Do men have cat manners? Do women possess canine traits? This is the most recent question brought up by a philosophical discussion group organized among the intellectual coeds of the University of Nevada. The purpose of the group is to investigate and solve any problem of vital importance. The coeds have risen unanimously against the old theory that women have feline characteristics while men are endowed with canine traits. The following arguments have been projected.

"In the first place it's the cat that stays out all night. It's the cat that howls around alleys and serenades beneath open windows. Could anyone ask for a more masculine habit than this?

"Secondly, the cat never really

settles down in a home, but is more or less of a wanderer and if he had a home he regards it as a temporary place. Saw you ever a man who hangs up his coat and hat when he comes in? No! He is only waiting for a chance to escape to a neighbor's back yard (or cellar).

"As for vanity and neatness—a neat woman may be neat, but a neat man and a fussy cat are a thousand times more particular. Cats—" and here follows reams of arguments to confound the male.

Therefore, according to Reno coeds, the old theory is quite upset, and from now on a new one shall take its place. Men are catty, and women closely resemble the faithful, home-loving dog.

## Loco Limerix

There once was a young man named Hind  
Who ran, so they say, like the wind.  
When he ran in track meets  
With his two little feets,  
His speed would almost make you blind.

There was a young lady named Ruth  
Considered a hot one, forsooth.  
Favorite song—"Sweetest Man".  
Fav'rite seegar—"Roi Tan".  
She's in favor of the "flaming youth."

There was a young lady named Kate  
Who arrived every morning quite late.

The prof said "Miss Kirven,  
You'll sure be deservin'  
To flunk if you keep up this gait".

There once was a girl named Louise,  
Who hated, above all, to snise  
She caught a bad cold  
And was thereupon told  
She should keep her knise out of the brise.

## Campus Chatter

The Don staff apparently need some beds or cots in their office. Why? According to Mr. Stewart, brilliant thoughts and good results from thinking are obtained to the best advantage while lying down.

When in doubt, cut! That is the attitude of Clark Brown when he doesn't know whether to go to class or not.

"Three legs are not enough for a four-legged piano stool", decided Eber Flaus, pianist of the Orpheus troupe, who recently underwent an amusing experience with this kind of furniture at a public appearance at Garden Grove high school.

According to Mr. Newcomer, women lose their good looks after one year's stay in Porto Rico. Women, beware of Porto Rico, is the instructor's advice.

Mrs. Foote has shown how a real vaudeville should be conducted. Square dances, and what have you, were successfully staged in the gym high school Rube day. Mrs. Foote acted as the entire orchestra as well as director of the performance. Miss Anderson and several Don reporters made up the audience.

## BICYCLES AND SKATES

## NOW USED AT STANFORD

If the nineties were gay, the second decade of the twentieth century promises to be absolutely hilarious at Stanford. Bicycles and skates are threatening the popularity of flivvers and other means of conveyance. Thanks goes to the "five hundred" for the revival of the old Stanford vehicular fads, for the coeds are now riding bicycles and skates to class.

## May Basket!

Far back to the Floralia festival, dates the gala celebration of the month of May. In England it was customary during the middle ages for everyone to go out on the first May morning at an early hour "to fetch flowers fresh".

In this day and age business prevents these leisurely customs, but nevertheless nearly every school and town has its maypole, on which are hung May morning wreaths of flowers, and round which the people dance and frolic. Everyone is happy, gay and carefree. Youth is happiest in May.

Indeed, college can become a veritable festival during May. With youth and abundance of flowers, everyone can go a-Maying and thus enter into the real spirit of this early summer month.

## OREGON STUDENTS USE

## WHISTLES FOR SIGNALS

Whistling popular tunes to call a friend has gained wide popularity on the campus among the co-eds. Each group of girls has its particular whistle considered "private property" of that group. Some of the whistles used by the co-eds are the tunes, "Sweet Child, You're Driving Me Wild," "Bob White," and "Remember the Night." Whistling is used to the largest extent on the campus or in the halls where friends may live the length of the hall from each other.

High school rube day appeared to interest junior college students as fully as it did those of the high school. It brought back memories of days when rube day meant a rummage through the attic for old clothes.

### Pasadena J. C. And High School Unite

Pasadena, May 1 (A. N. S.)—Student body officers of the Pasadena junior college met with officers of the high school to arrange the drawing up of a constitution to unite the student bodies. Administration activities are under way to handle as a single unit the four classes comprising the new four-year institution that was created by the action of the board. Beginning next semester, names of the eleventh, twelfth, thirteenth and fourteenth grades will be freshman, sophomore, junior and senior, respectively.

Classes in the lower division will be administered on a collegiate basis.

wage scale will determine wages; no favoritism will be shown. A position as manager of a business is not promised at the end of two years, but the student will be able to keep on working at such a wage that will enable him to work up to a desirable position.

This course is the only one of its kind that has ever been attempted. The advisory committee is not yet ready for applications for the course. Announcement will be made later to that effect.

The candy sale given by the Associated Women Students Friday, April 20, netted that organization over six dollars. Alice Prather was in charge of the sale and appointed saleswomen for each hour.

The beauty of scarlet and black, now high favorites in the new game of trying to change college colors, will be demonstrated in assembly today when John Fitz appears in a striking sweater of vivid hue.

It is rumored that female hearts are more than wavering, for the male cohorts, led by Johnny, have talked well and fast. Let us predict that a complete and happy victory will be the result of the final evidence presented this afternoon in the form of a scarlet and black sweater.

### Girls Tennis Team Defeated By Fullerton

First Singles And First Doubles Are Annexed by Fullerton

In a match with Fullerton J. C. April 24, the women's tennis team captured second and third singles. The Fullerton squad took first singles and first doubles.

Those on the local team are Helen Drake, manager and third singles; Dorothy Dungan, first singles; Eleanor Crookshank, second singles; Alice Prather and Catherine Jessup, first doubles; and Julia Cummings and Jean Nicholson, substitutes.

### Baseball Team Is Defeated By Compton 8 to 2

Local Nine Collects Only Four Hits in Disappointing Game

Due to a terrible batting slump with a few costly errors intermingled the Don baseball team went down to defeat before the Compton squad by a score of 8 to 2.

Compton gathered eleven hits off of Bratmiller while the locals were collecting but four bingles off of Groove, Compton pitcher.

It was not until the ninth inning that Santa Ana was able to score on some of Compton's loose fielding. However, most of the game Compton had things pretty much in their own hands.

Compton's big inning was the sixth at which time they bunched enough hits to gather four runs.

This defeat places the Santa Ana junior college in the 500 per cent class with one conference game won and one lost.

### Grammar Schools Are Coached By College Women

Girl Athletes Build Coaching System in Elementary Schools

"Junior college women have been most satisfactory coaches and referees in basketball at the local grammar schools," states Miss Diana Anderson, women's athletic instructor.

All games have been playing with the leagues and the winners from each of the three leagues will play games to decide city championship.

Lincoln won in the northern league, McKinley, the central league, and Delhi in the southern league. This will be decided Thursday when the last game will be played.

Those women coaching are Helen Richards, Lincoln; Frances Bourne, Jefferson; Catherine Jessup, John Muir; Josephine Ball, Grand Ave.; Margaret Glenn, Franklin; Ruth Tantlinger, Artesia; Charlotte Browne, McKinley; Jean Nicholson, Roosevelt; Joy Wilson, Lowell; Barbara Goodrich, Edison; Marian Bruner, Delhi; Alice Prather, Spurgeon.

### Baseball Team Is Idle This Week In League

Glendale Has No Team For Scheduled Game

The junior college baseball team will be idle this week as far as league encounters are concerned because of the fact that Glendale has not entered a team. This is Glendale's first year in a junior college league and they decided to enter only a basketball team and a track team for league competition.

The Don nine journeys to Garden Grove this afternoon for a practice encounter. The usual lineup will probably take the field.

### DON RELAY TEAM WINS RACE AND WATCH AWARDS

Bob Jacques Takes Second In High Jump at 5ft., 11 3-4 in.

Outclassing virtually all of the minor colleges of the Pacific coast, Coach Bill Cook's Santa Ana junior college track team tied for second in the Class B division of the annual Raisin Day track meet at Fresno Saturday. Occidental won the division with 22 point. The locals scored 16 points to dead lock with Modesto junior college.

The Don half mile relay team provided a thrill when it walked away with victory and four gold wrist watches.

The members of this quartet were "Red" Guyer, Blanchard Beatty, "Pete" Twist and R. Hinds. Guyer, starting three yards behind, made up the distance and finished two yards to the good. Occidental was second.

"Bob" Jacques established a Santa Ana college record when he soared over the bar at 5 feet, 11 3-4 inches to place second in the Class B high jump.

"Red" Guyer furnished the other points for the locals when he captured second in the 100 yard dash. Williams of Compton won this event. Red holds two other decisions over Williams, however.

This meet closes the track event for this season.

### Hard Knocks Win Lead In Girl's Baseball League

Winning with the high score of 29 to 8 from Opal Vandruff's Stiff Socks, Alice Prather's Hard Knocks have the lead for championship in the women's baseball league.

Alice Prather starred for her team, scoring a run each of the five times she was at bat. Thelma Dugan also brought in five runs for the Hard Knocks. Pauline Neddermeyer played well in the field.

Margaret Glenn and Barbara Goodrich scored high for the Stiff Socks each bringing in three runs besides playing exceptionally well in the field. Violet Gardener starred as catcher for the Stiff Socks.

The next game between the two women's baseball teams is scheduled for this afternoon at 3:15.
